Subject index*

A

Acoustic impedance tests
Explaining the Weber test (Sichel et al) (Letter); (Blakley and Siddique) (Reply). 2000;122:465
Adenocarcinoma
Histopathology of multiple temporal bone metastasis from pancreatic adenocarcinoma: a case showing bilateral hearing loss and Bechterew's (Wu et al). 2000;122:613-4 (Case rep.)
Adenoidectomy
Brain stem stroke associated with bupivacaine injection for adenotonsillectomy (Alsarraf and Sie). 2000;122:572 (Case rep.)
Adenoma
Approaches to the sellar and parasellar region: a retrospective comparison of the endonasal-transsphenoidal and sublabial-transsphenoidal approaches (Spencer et al). 2000;122:367-9
Adenoma, pleomorphic
Pleomorphic adenoma of the parotid gland metastasizing to the cervical lymph node (Chen and Tu). 2000;122:455-7 (Case rep.)
Aftercare
Treatment of benign paroxysmal positional vertigo: no need for postmaneuver restrictions (Nuti et al). 2000;122:440-4
Aged
Benefits of cochlear implantation in elderly patients (Shin et al). 2000;122:602-6
Unrecognized benign paroxysmal positional vertigo in elderly patients (Oghalai et al). 2000;122:630-4
Airway obstruction
Airway obstruction caused by bee sting macroglossia (Vaughn and Koch). 2000;122:778 (Clin. photo.)
Cherubism and upper airway obstruction (Battaglia et al). 2000;122:573-4 (Case rep.)
Allergens
ImmunoCAP and HY·TEC enzyme immunoassays in the detection of allergen-specfic IgE compared with serial skin end-point titration by receiver operating characteristic analysis (Corey et al). 2000;122:64-70
Ambulatory surgical procedures
Outpatient cochlear implantation in the pediatric population (Liu et al). 2000;122:19-22
Amyloidosis
Localized amyloid tumor of the nasopharynx (Pitäranta and Malmberg). 2000;122:309-10 (Case rep.)
Anesthesia, general
Operative times, postanesthesia recovery times, and complications during sinonasal surgery using general anesthesia and local anesthesia with sedation (Fedok et al). 2000;122:560-6
Anesthesia, local
Operative times, postanesthesia recovery times, and complications during sinonasal surgery using general anesthesia and local anesthesia with sedation (Fedok et al). 2000;122:560-6
Anesthetics, intravenous
Remifentanil-based anesthesia versus a propofol technique for otologic surgical procedures (Jellish et al). 2000;122:222-7
Aneurysm, false
False aneurysm after rhinoplasty: an unusual complication (Hamdan et al). 2000;122:923-4 (Case rep.)
Giant external carotid artery pseudoaneurysm presenting as a parotid mass (Uğuz et al). 2000;122:307-8 (Case rep.)
Angiofibroma
Anterior approaches in juvenile nasopharyngeal angiofibromas with intracranial extension (Danesi et al). 2000;122:277-83
Angiomyoma
Angioleiomyoma in the submandibular region: an unusual tumor in an unusual tumor in an unusual site (Wong et al). 2000;122:144-5 (Case rep.)
Antibiotics
Tympanostomy tubes and otic suspensions: Do they reach the middle ear space? (Hebert et al). 2000;122:330-3
Use of ototopical antibiotics in treating 3 common ear diseases (Consensus Panel et al). 2000;122:934-40
Antibiotics, antineoplastic
Use of mitomycin C for maintaining myringotomy patency (Estrem et al). 2000;122:8-10
Antibodies, monoclonal
Monoclonal antibodies against squamous cell carcinoma of the upper aerodigestive mucous membranes (Folz et al). 2000;122:124-8
Anticoagulants
Possible role of anticoagulation in the treatment of rhinocerebral mucormycosis (Hong and Koch). 2000;122:577-8 (Case rep.)
Antigens, CD18
Circulating neutrophil CD18 receptor expression and ischemic flap neutrophil infiltration in a guinea pig model (Dolan et al). 2000;122:374-7

*January, pp. 1-156; February, pp. 157-312; March, pp. 313-468; April, pp. 469-624; May, pp. 625-780; June, 781-968.

Antigens, fungal
Outcomes after discontinuing immunotherapy for allergic fungal sinusitis (Mabry et al). 2000;122:104-6
Antineoplastic agents
Antiepidermal growth factor receptor antibodies augment cytotoxicity of chemotherapeutic agents on squamous cell carcinoma cell lines (Brown et al). 2000;122:75-83
Atlas
Usefulness of the C1 transverse process as a reference guide in the dissection of the upper lateral neck (Sheen et al). 2000;122:284-9
Atlases
Color Atlas of Diagnostic Endoscopy in Otorhinolaryngology (Rassekh). 2000;122:621 (Book rev.)
Audiometry
Normal audiologic presentations in patients with acoustic neuroma: an evaluation using strict audiologic parameters (Magdziarz et al). 2000;122:157-62
Auditory canal
Malignancy of the temporal bone and external auditory canal (Lim et al). 2000;122:882-6
Auditory cortex
Assessment of auditory cortex activation with functional magnetic resonance imaging (Ulualp et al). 2000;122:241-5
Autoimmune diseases
Unusual and instructive case of immune-mediated inner ear disease associated with central nervous system vasculitis (Ruckenstein et al). 2000;122:109-11 (Case rep.)

B

Bacterial infections
Diagnosis and treatment of uncomplicated acute bacterial rhinosinusitis: summary of the Agency on Health Care Policy and Research evidence-based report (Benninger et al). 2000;122:1-7
Bacteriological techniques
Endoscopically guided sinonasal cultures: a directed comparison with maxillary sinus aspirate cultures (Vogan et al). 2000;122:370-3
Bees
Airway obstruction caused by bee sting macroglossia (Vaughn and Koch). 2000;122:778 (Clin. photo.)
Bell palsy
Electroneurographic facial muscle pattern in Bell's palsy (Engström et al). 2000;122:290-7
Biopsy, needle
Accuracy of fine-needle aspiration biopsy of the thyroid combined with an evaluation of clinical and radiologic factors (Carrillo et al). 2000;122:917-21
Blastomycosis
Disseminated blastomycosis presenting as a neck mass (Bergman et al). 2000;122:270-1 (Case rep.)
Bone screws
Pharyngeal suspension suture with Repose bone screw for obstructive sleep apnea (Woodson et al). 2000;122:395-401
Book reviews
2000;122:621-3
Botulinum toxin
Frey syndrome treatment with botulinum toxin (Dulguerov et al). 2000;122:821-7
Botulinum toxin injection of the cricopharyngeus muscle for the treatment of dysphagia (Ahsan et al). 2000;122:691-5
Botulinum toxin treatment for symptomatic Frey's syndrome (Arad-Cohen and Blitzer). 2000;122:237-40
Brain infarction
Sudden bilateral hearing loss and dizziness occurred with cerebellar infarction (Sunose et al). 2000;122:146 (Case rep.)
Brain stem
Brain stem stroke associated with bupivacaine injection for adenotonsillectomy (Alsarraf and Sie). 2000;122:572 (Case rep.)
Bronchoscopes
Clinical experience of removing foreign bodies in the airway and esophagus with a rigid endoscope: a series of 3217 cases from 1970 to 1996 (Hsu et al). 2000;122:450-4
Bupivacaine
Brain stem stroke associated with bupivacaine injection for adenotonsillectomy (Alsarraf and Sie). 2000;122:572 (Case rep.)

C

Calcium channel blockers
Effect of verapamil on cholesteatoma migration in vitro (Kountakis et al). 2000;122:91-5
Caloric test
Evaluation of the caloric test by combining 3 response parameters (Maire et al). 2000;122:814-20
Canalith
Short- and long-term outcomes of canalith repositioning for benign paroxysmal positional vertigo (Nunez et al). 2000;122:647-52
Carcinoma, papillary
Tall cell variant: an aggressive form of papillary thyroid carcinoma (Prendiville et al). 2000;122:352-7
Carcinoma, renal cell
Metastatic renal cell carcinoma to the nose (Cheng et al). 2000;122:464 (Clin. photo.)
Carcinoma, small cell
Small cell neuroendocrine carcinoma of the parotid gland (Vural et al). 2000;122:151-2 (Case rep.)
Carcinoma, squamous cell
Antiepidermal growth factor receptor antibodies augment cytotoxicity of chemotherapeutic agents on squamous cell carcinoma cell lines (Brown et al). 2000;122:75-83
Complications after total laryngectomy in nonradiated laryngeal and hypopharyngeal carcinomas (Herranz et al). 2000;122:892-8
Complications of postoperative radiation therapy after partial laryngectomy in supraglottic cancer: a long-term evaluation (Laccourreye et al). 2000;122:752-7
Correlation of galectin-3/galectin-3-binding sites with low differentiation status in head and neck squamous cell carcinomas (Delorge et al). 2000;122:834-41
Correlation of neural cell adhesion molecules with perineural spread of squamous cell carcinoma of the head and neck (Vural et al). 2000;122:717-20
Expression of matrix metalloproteinases and tissue inhibitor of metalloproteinases in laryngeal and pharyngeal squamous cell carcinoma: a quantitative analysis (Magary et al). 2000;122:712-6
Expression on nm23 antimetastatic gene product in head and neck squamous cell carcinoma (Song et al). 2000;122:96-9
Factors affecting survival for floor-of-mouth carcinoma (Klotch et al). 2000;122:495-8
Head and neck squamous cell carcinoma: better to be young (Lacy et al). 2000;122:253-8
Intraoperative radiolymphoscintigraphy for detection of occult nodal metastasis in patients with head and neck squamous cell carcinoma (Zitsch et al). 2000;122:662-6
Monoclonal antibodies against squamous cell carcinoma of the

upper aerodigestive mucous membranes (Folz et al). 2000; 122:124-8
Squamous cell carcinoma of the tongue in young adults: increasing incidence and factors that predict treatment outcomes (Myers et al). 2000;122:44-51
Tonsillectomy in diagnosis of the unknown primary tumor of the head and neck (Randall et al). 2000;122:52-5
Tumor grade, microvessel density, and activities of malate dehydrogenase, lactate dehydrogenase, and hexokinase in squamous cell carcinoma (Ross et al). 2000;122:195-200
Tumor thickness as a predictor of cervical lymph node metastasis in squamous cell carcinoma of the lower lip (Önerci et al). 2000;122:139-42

Carotid arteries
Variations of the great arteries in the carotid triangle (Lucev et al). 2000;122:590-1

Carotid artery, external
Giant external carotid artery pseudoaneurysm presenting as a parotid mass (Uğuz et al). 2000;122:307-8 (Case rep.)

Carotid artery, internal
Aberrant carotid artery of the middle ear (Chang). 2000;122:154 (Clin. photo.)

Case reports
2000;122:107-14, 267-71, 572-8
Does it take a village to write a case report? (Syms) (Letter); (Har-El) (Reply). 2000;122:619
International 2000;122:143-52, 302-10, 455-62, 611-6, 768-74, 922-33

Cautery
Cautery-assisted palatal stiffening operation (Mair and Day). 2000;122:547-55

Cell transformation, neoplastic
Expression of Ki-67, tumor suppressor proteins, growth factor, and growth factor receptor in juvenile respiratory papillomatosis: Ki-67 and p53 as predictors of aggressive disease (Stern et al). 2000;122:378-86

Central nervous system
Diagnosis and documentation of central nervous system dysfunctions with craniocorpography after surgical removal of acoustic neurinomas (Gomez-Angel et al). 2000;122:592-5

Cerebellar diseases
Sudden bilateral hearing loss and dizziness occurred with cerebellar infarction (Sunose et al). 2000;122:146 (Case rep.)

Cerebrospinal fluid rhinorrhea
Endoscopic repair of cerebrospinal fluid rhinorrhea (Mao et al). 2000;122:56-60

Cerebrovascular disorders
Brain stem stroke associated with bupivacaine injection for adenotonsillectomy (Alsarraf and Sie). 2000;122:572 (Case rep.)

Chemotherapy
Oxygenation of advanced head and neck cancer: prognostic marker for the response to primary radiochemotherapy (Vanselow et al). 2000;122:856-62

Cherubism
Cherubism and upper airway obstruction (Battaglia et al). 2000;122:573-4 (Case rep.)

Cholesteatoma
Endoscopic management of cholesteatoma: long-term results (Tarabichi). 2000;122:874-81
Surgical treatment of labyrinthine fistula caused by cholesteatoma (Soda-Merhy and Betancourt-Suárez). 2000;122:739-42

Cholesteatoma, middle ear
Effect of verapamil on cholesteatoma migration in vitro (Kountakis et al). 2000;122:91-5

Cholesterol
Postoperative cholesterol cyst of the mastoid (Bizakis et al). 2000;122:312 (Clin. photo.)

Chondrosarcoma
Chondrosarcoma of the larynx (Friedlander and Lyons). 2000;122: 617 (Clin. photo.)

Choristoma
Extensive salivary gland choristoma of the pterygopalatine fossa (Harar et al). 2000;122:611-2 (Case rep.)

Chyle
Management of chyle fistulization in association with neck dissection (Gregor). 2000;122:434-9
Systemic management of chyle fistula: the Southwestern experience and review of the literature 2000;122:31-8

Cisplatin
Extended high-frequency ototoxicity induced by the first administration of the cisplatin (Sakamoto et al). 2000;122:828-33

Clinical photographs
2000;122:153-5, 311-2, 463-4, 617-8, 775-8, 941-2

Clinicopathology
2000;122:567-71

Cochlea
Effects of intracochlear factors on spiral ganglion cells and auditory brain stem response after long-term electrical stimulation in deafened kittens (Araki et al). 2000;122:425-33
Postmeningitic ossification in pediatric cochlear implantation (Young et al). 2000;122:183-8

Cochlear duct
Effects of endolymphatic-perilymphatic fistula on endolymphatic hydrops in guinea pig (Yazawa et al). 2000;122:119-23

Cochlear implantation
Benefits of cochlear implantation in elderly patients (Shin et al). 2000;122:602-6
Cochlear implantation: minimal hair removal technique (Roberson et al). 2000;122:625-9
Effects of intracochlear factors on spiral ganglion cells and auditory brain stem response after long-term electrical stimulation in deafened kittens (Araki et al). 2000;122:425-33
Outpatient cochlear implantation in the pediatric population (Liu et al). 2000;122:19-22
Postmeningitic ossification in pediatric cochlear implantation (Young et al). 2000;122:183-8

Commentary
Commentary. (Benninger et al). 2000;122:1-7
Commentary. (Holt and Myers). 2000;122:781

Communication
Communication after laryngectomy: an assessment of quality of life (Carr et al). 2000;122:39-43

Computer-assisted instruction
Virtual temporal bone: creation and application of a new computer-based teaching tool (Mason et al). 2000;122:168-73

Computer simulation
Interlaboratory variability of rotational chair test results II: analysis of simulated data (Furman et al). 2000;122:23-30
Virtual temporal bone: creation and application of a new computer-based teaching tool (Mason et al). 2000;122:168-73

Consensus panel report
2000;122:934-40

Contrast media
Xenon-enhanced computed tomography quantifies normal maxillary sinus ventilation (Leopold et al). 2000;122:422-4

Cost of illness
Cost-effective management of benign positional vertigo using canalith repositioning (Li et al). 2000;122:334-9

Cranial nerve neoplasms
Schwannoma of the greater superficial petrosal nerve. (Michel et al). 2000;122:302-3 (Case rep.)
Craniopharyngioma
Approaches to the sellar and parasellar region: a retrospective comparison of the endonasal-transsphenoidal and sublabial-transsphenoidal approaches (Spencer et al). 2000;122:367-9
Craniotomy
Subcranial approach to tumors of the anterior cranial base (Darrouzet) (Letter); (Moore and Marentette) (Reply). 2000;122:466
Cutaneous fistula
Management of chyle fistulization in association with neck dissection (Gregor). 2000;122:434-9
Cysts
Chest wall mass after pectoralis major myocutaneous flap reconstruction (Kandula et al). 2000;122:267-8 (Case rep.)
Epiglottic cyst (Lam et al). 2000;122:311 (Clin. photo.)
Postoperative cholesterol cyst of the mastoid (Bizakis et al). 2000;122:312 (Clin. photo.)

D

Decompression, surgical
Bilateral simultaneous orbital decompression for Graves' orbitopathy with a combined endoscopic and Caldwell-Luc approach (Rizk et al). 2000;122:216-21
Dexamethasone
Dexamethasone pharmacokinetics in the inner ear: comparison of route of administration and use of facilitating agents (Chandrasekhar et al). 2000;122:521-8
Diagnostic imaging
Differential Diagnosis in Head and Neck Imaging (Sandlin). 2000;122:622 (Book rev.)
Dialysis
Surgery for secondary hyperparathyroidism in patients undergoing dialysis (Garcia-Pallares et al). 2000;122:908-19
Disease models, animal
Improved canine model for laryngotracheal stenosis (Eliashar et al). 2000;122:84-90
Diverticulum
Jugular diverticulum: Clinical significance (El-Kashlan et al). 2000;122:575-6 (Case rep.)
Dizziness
Posturographic performance in patients with the potential for secondary gain (Gianoli et al). 2000;122:11-8
Unrecognized benign paroxysmal positional vertigo in elderly patients (Oghalai et al). 2000;122:630-4
Drug/device capsule
2000;122:263-6
Durapatite
Long-term results with hydroxylapatite middle ear implants (Goldenberg and Driver). 2000;122:635-42
Dysphagia
Botulinum toxin injection of the cricopharyngeus muscle for the treatment of dysphagia (Ahsan et al). 2000;122:691-5

E

Ear
Human aural myiasis (Magliulo et al). 2000;122:777 (Clin. photo.)
Ear, external
Accessory auricle (Akyol). 2000;122:155 (Clin. photo.)
Cavernous hemangioma of the auricle (Yücel). 2000;122:153 (Clin. photo.)
Evaluation of implant losses and skin reactions around extraoral bone-anchored implants: a 0- to 8-year follow-up (Reyes et al). 2000;122:272-6
External and middle ear effects on infant hearing screening test results (Doyle et al). 2000;122:477-81
External ear involvement in epidermolysis bullosa (Kastanioudakis et al). 2000;122:618 (Clin. photo.)
Ear, inner
Dexamethasone pharmacokinetics in the inner ear: comparison of route of administration and use of facilitating agents (Chandrasekhar et al). 2000;122:521-8
Ear, middle
Aberrant carotid artery of the middle ear (Chang). 2000;122:154 (Clin. photo.)
Epithelial differentiation in developing murine eustachian tube and middle ear (Park et al). 2000;122:902-7
External and middle ear effects on infant hearing screening test results (Doyle et al). 2000;122:477-81
Ear diseases
Use of ototopical antibiotics in treating 3 common ear diseases (Consensus Panel et al). 2000;122:934-40
Ear neoplasms
Cavernous hemangioma of the auricle (Yücel). 2000;122:153 (Clin. photo.)
Intracanalicular meningiomas (Caylan et al). 2000;122:147-50 (Case rep.)
Editorials
2000;122:782-93
Electric stimulation therapy
Effect of long-term electrical stimulation on motor recovery and improvement of clinical residuals in patients with unresolved facial nerve palsy (Targan et al). 2000;122:246-52
Electrocoagulation
Comparison of postoperative pain between laser-assisted uvulopalatoplasty, uvulopalatopharyngoplasty, and radiofrequency volumetric tissue reduction of the palate (Troell et al). 2000;122:402-9
Midline radiofrequency tissue reduction of the palate for bothersome snoring and sleep-disordered breathing: a clinical trial (Coleman and Smith). 2000;122:387-94
Radiofrequency volumetric reduction of the palate: an extended follow-up study (Li et al). 2000;122:410-4
Endolymphatic hydrops
Effects of endolymphatic-perilymphatic fistula on endolymphatic hydrops in guinea pig (Yazawa et al). 2000;122:119-23
Endolymphatic shunt
Endolymphatic mastoid shunt: a reevaluation of efficacy (Welling and Nagaraja). 2000;122:340-5
Endoscopes
Endoscopically guided sinonasal cultures: a directed comparison with maxillary sinus aspirate cultures (Vogan et al). 2000;122:370-3
Endoscopy
Approaches to the sellar and parasellar region: a retrospective comparison of the endonasal-transsphenoidal and sublabial-transsphenoidal approaches (Spencer et al). 2000;122:367-9
Bilateral simultaneous orbital decompression for Graves' orbitopathy with a combined endoscopic and Caldwell-Luc approach (Rizk et al). 2000;122:216-21
Color Atlas of Diagnostic Endoscopy in Otorhinolaryngology (Rassekh). 2000;122:621 (Book rev.)
Endoscopic management of cholesteatoma: long-term results (Tarabichi). 2000;122:874-81

Endoscopic repair of anterior cranial fossa dural defect in an unusual case of frontal sinus trauma (Ünal et al). 2000;122:771-2 (Case rep.)
Endoscopic repair of cerebrospinal fluid rhinorrhea (Mao et al). 2000;122:56-60
Frameless computer-aided surgery system for revision endoscopic sinus surgery (Caversaccio et al). 2000;122:808-13

Endostitch
Use of the Endostitch device for closure of pharyngeal traumatic lacerations (Hardeman et al). 2000;122:942 (Clin. photo.)

Endothelial cell
Interrelationship between protein phosphatase-2A and cytoskeletal architecture during the endothelial cell response to soluble products produced by human head and neck cancer (Witt et al). 2000;122:721-7

Epidermolysis bullosa
External ear involvement in epidermolysis bullosa (Kastanioudakis et al). 2000;122:618 (Clin. photo.)

Epiglottis
Epiglottic cyst (Lam et al). 2000;122:311 (Clin. photo.)

Epithelium
Epithelial differentiation in developing murine eustachian tube and middle ear (Park et al). 2000;122:902-7

Esophagoscopes
Clinical experience of removing foreign bodies in the airway and esophagus with a rigid endoscope: a series of 3217 cases from 1970 to 1996 (Hsu et al). 2000;122:450-4

Eustachian tube
Epithelial differentiation in developing murine eustachian tube and middle ear (Park et al). 2000;122:902-7
Ossification of eustachian tube cartilage and Ostmann's fatty tissue in chronic renal failure (Takasaki et al). 2000;122:567-71

Evoked potentials, auditory, brain stem
Effects of intracochlear factors on spiral ganglion cells and auditory brain stem response after long-term electrical stimulation in deafened kittens (Araki et al). 2000;122:425-33

Extracellular matrix
Potential role of growth factors and extracellular matrix in wound healing after laryngotracheal reconstruction (Walner et al). 2000;122:363-6

F

Face
Facial vein thrombophlebitis: a rare but potentially lethal entity (Goldenberg et al). 2000;122:769-70 (Case rep.)

Facial muscles
Electroneurographic facial muscle pattern in Bell's palsy (Engström et al). 2000;122:290-7

Facial nerve
Magnetic resonance imaging of the facial nerve in children with idiopathic facial paralysis (Burgio et al). 2000;122:556-9

Facial nerve diseases
Schwannoma of the greater superficial petrosal nerve. (Michel et al). 2000;122:302-3 (Case rep.)
Toronto Facial Grading System: interobserver reliability (Kayhan et al). 2000;122:212-5

Facial pain
Characteristics of sinus-related pain (Tarabichi). 2000;122:842-7

Facial paralysis
Effect of long-term electrical stimulation on motor recovery and improvement of clinical residuals in patients with unresolved facial nerve palsy (Targan et al). 2000;122:246-52
Magnetic resonance imaging of the facial nerve in children with idiopathic facial paralysis (Burgio et al). 2000;122:556-9

Fibroma
Cemento-ossifying fibroma of the upper gingivae (Martín-Granizo et al). 2000;122:775 (Clin. photo.)

Fibromatosis, aggressive
Desmoid tumor of the neck (Gerek et al). 2000;122:930-1 (Case rep.)

Fistula
Systemic management of chyle fistula: the Southwestern experience and review of the literature 2000;122:31-8

Fluorodeoxyglucose F 18
Use of (18F)-fluorodeoxyglucose positron emission tomography in monitoring response of recurrent neurotropic desmoplastic melanoma to radiotherapy (Hannah et al). 2000;122:304-6 (Case rep.)

Food contamination
Food pollution (Wallace and Suchard) (Letter); (Trevino) (Reply). 2000;122:467

Food hypersensitivity
Nasal polyposis: role of subclinical delayed food hypersensitivity (Pang et al). 2000;122:298-301
Skin prick test reactivity to foods in adult Malaysians with rhinitis (Gendeh et al). 2000;122:758-62

Foreign bodies
Clinical experience of removing foreign bodies in the airway and esophagus with a rigid endoscope: a series of 3217 cases from 1970 to 1996 (Hsu et al). 2000;122:450-4
Practical approach to foreign bodies in the frontal sinus (Tosun and Özkaptan). 2000;122:928-9 (Case rep.)
Sternal ossification masquerading as foreign bodies in the infant (Syms et al). 2000;122:107-8 (Case rep.)

Frey syndrome
Frey syndrome treatment with botulinum toxin (Dulguerov et al). 2000;122:821-7

Frontal sinus
Endoscopic repair of anterior cranial fossa dural defect in an unusual case of frontal sinus trauma (Ünal et al). 2000;122:771-2 (Case rep.)
Isolated frontal sinus aspergillosis (Chen and Chen). 2000;122:460 (Case rep.)
Practical approach to foreign bodies in the frontal sinus (Tosun and Özkaptan). 2000;122:928-9 (Case rep.)

G

Gammagraphy
Relation of biochemical, cytologic, and morphologic parameters to the result of gammagraphy with technetium 99m sestamibi in primary hyperparathyroidism (Piñero et al). 2000;122:851-5

Gastroesophageal reflux
Effects of gastroesophageal reflux on hypertrophy of the base of the tongue (Mamede et al). 2000;122:607-10

Genes, p53
Prognostic value of p53, proliferating cell nuclear antigen, and Ki-67 expression in undifferentiated nasopharyngeal carcinomas (Genç et al). 2000;122:868-73

Genes, suppressor, tumor
Expression on nm23 antimetastatic gene product in head and neck squamous cell carcinoma (Song et al). 2000;122:96-9

Gingiva
Cemento-ossifying fibroma of the upper gingivae (Martín-Granizo et al). 2000;122:775 (Clin. photo.)

Glomus jugulare tumors
Metastatic carcinoma to the jugular foramen (Chao et al). 2000;122:922 (Case rep.)

Goiter
Multinodular goiter: the surgical procedure of choice (Cohen-Kerem et al). 2000;122:848-59
Graft survival
Effects of external beam radiation on the allograft dermal implant (Ibrahim et al). 2000;122:189-94
Grafts
Auricular composite grafting to repair nasal vestibular stenosis (Karen et al). 2000;122:529-32
Granuloma, foreign-body
Chest wall mass after pectoralis major myocutaneous flap reconstruction (Kandula et al). 2000;122:267-8 (Case rep.)
Growth substances
Potential role of growth factors and extracellular matrix in wound healing after laryngotracheal reconstruction (Walner et al). 2000;122:363-6
Guillain-Barré syndrome
Guillain-Barré syndrome presenting as a neck mass (Yoskovitch et al). 2000;122:269 (Case rep.)

H

Hair
Cochlear implantation: minimal hair removal technique (Roberson et al). 2000;122:625-9
Head
Advances in Otolaryngology-Head and Neck Surgery, Volume 12 (Lowry). 2000;122:623 (Book rev.)
Differential Diagnosis in Head and Neck Imaging (Sandlin). 2000;122:622 (Book rev.)
Head and Neck Surgery-Otolaryngology, 2nd edition (Gates). 2000;122:622 (Book rev.)
Head and neck neoplasms
Angioleiomyoma in the submandibular region: an unusual tumor in an unusual tumor in an unusual site (Wong et al). 2000;122:144-5 (Case rep.)
Chemoprevention of head and neck cancer (Armstrong and Meyskens). 2000;122:728-35
Correlation of galectin-3/galectin-3-binding sites with low differentiation status in head and neck squamous cell carcinomas (Delorge et al). 2000;122:834-41
Correlation of neural cell adhesion molecules with perineural spread of squamous cell carcinoma of the head and neck (Vural et al). 2000;122:717-20
Desmoid tumor of the neck (Gerek et al). 2000;122:930-1 (Case rep.)
Head and neck squamous cell carcinoma: better to be young (Lacy et al). 2000;122:253-8
Intraoperative radiolymphoscintigraphy for detection of occult nodal metastasis in patients with head and neck squamous cell carcinoma (Zitsch et al). 2000;122:662-6
Malignant peripheral nerve sheath tumors of the head and neck: analysis of prognostic factors (Loree et al). 2000;122:667-72
Monoclonal antibodies against squamous cell carcinoma of the upper aerodigestive mucous membranes (Folz et al). 2000;122:124-8
Oxygenation of advanced head and neck cancer: prognostic marker for the response to primary radiochemotherapy (Vanselow et al). 2000;122:856-62
Patients with head and neck tumors excrete a chondroitin sulfate with a low degree of sulfation: a new tool for diagnosis and follow-up of cancer therapy (Martins et al). 2000;122:115-8
Prognostic assessment of sonography and tumor volumetry in advanced cancer of the head and neck by use of Doppler ultrasonography (Dietz et al). 2000;122:596-601
Tonsillectomy in diagnosis of the unknown primary tumor of the head and neck (Randall et al). 2000;122:52-5
Headache
Characteristics of sinus-related pain (Tarabichi). 2000;122:842-7
Health status
Health status in allergic rhinitis (Corey et al). 2000;122:681-5
Health status in patients with disturbed sleep and obstructive sleep apnea (Gliklich et al). 2000;122: 542-6
Hearing
Hearing results in the second stage of open mastoidectomy: a comparison of the different techniques (Cristóbal et al). 2000;122:748-51
Hearing aids
Evaluation of implant losses and skin reactions around extraoral bone-anchored implants: a 0- to 8-year follow-up (Reyes et al). 2000;122:272-6
Percutaneous bone-anchored hearing aids at a pediatric institution (Béjar-Solar et al). 2000;122:887-91
Hearing loss, bilateral
Bilateral sensorineural hearing loss and spastic paraparesis in Lyme disease (Bertholon et al). 2000;122:458-9 (Case rep.)
Facial paralysis: an unusual presentation of congenital cholesteatoma (Melero et al). 2000;122:615-6 (Case rep.)
Histopathology of multiple temporal bone metastasis from pancreatic adenocarcinoma: a case showing bilateral hearing loss and Bechterew's (Wu et al). 2000;122:613-4 (Case rep.)
Sudden bilateral hearing loss and dizziness occurred with cerebellar infarction (Sunose et al). 2000;122:146 (Case rep.)
Hearing loss, conductive
Conductive hearing loss associated with pressure equalization tubes (Estrem and Batra). 2000;122:349-51
Explaining the Weber test (Sichel et al) (Letter); (Blakley and Siddique) (Reply). 2000;122:465
Hearing loss, sensorineural
Asymmetric sensorineural hearing loss (Biedlingmaier). 2000;122:780 (Letter)
Bilateral sensorineural hearing loss and spastic paraparesis in Lyme disease (Bertholon et al). 2000;122:458-9 (Case rep.)
Efficacy of serologic testing in a asymmetric sensorineural hearing loss (Sabini and Sclafani). 2000;122:469-76
Hearing tests
External and middle ear effects on infant hearing screening test results (Doyle et al). 2000;122:477-81
Hemangioma, cavernous
Cavernous hemangioma of the auricle (Yücel). 2000;122:153 (Clin. photo.)
Hexokinase
Tumor grade, microvessel density, and activities of malate dehydrogenase, lactate dehydrogenase, and hexokinase in squamous cell carcinoma (Ross et al). 2000;122:195-200
History of medicine
Surgery on the larynx and pharynx in Byzantium (AD 324-1453): early scientific descriptions of these operations (Lascaratos and Assimakopoulos). 2000;122:579-83
Hyperparathyroidism
Relation of biochemical, cytologic, and morphologic parameters to the result of gammagraphy with technetium 99m sestamibi in primary hyperparathyroidism (Piñero et al). 2000;122:851-5
Surgery for secondary hyperparathyroidism in patients undergoing dialysis (Garcia-Pallares et al). 2000;122:908-19
Hypersensitivity
Allergic management of Meniere's disease: an outcome study (Derebery). 2000;122:174-82

Nitric oxide is a mediator of the late-phase response in an animal model of nasal allergy (Durland et al). 2000;122:706-11

Hypophysectomy

Approaches to the sellar and parasellar region: a retrospective comparison of the endonasal-transsphenoidal and sublabial-transsphenoidal approaches (Spencer et al). 2000;122:367-9

I

Immunoassay

ImmunoCAP and HY·TEC enzyme immunoassays in the detection of allergen-specfic IgE compared with serial skin end-point titration by receiver operating characteristic analysis (Corey et al). 2000;122:64-70

Immunoenzyme techniques

ImmunoCAP and HY·TEC enzyme immunoassays in the detection of allergen-specfic IgE compared with serial skin end-point titration by receiver operating characteristic analysis (Corey et al). 2000;122:64-70

Immunotherapy

Outcomes after discontinuing immunotherapy for allergic fungal sinusitis (Mabry et al). 2000;122:104-6

Implants, artificial

Percutaneous bone-anchored hearing aids at a pediatric institution (Béjar-Solar et al). 2000;122:887-91

Plastipore implants in the surgical treatment of atrophic rhinitis: technique and results (Goldenberg et al). 2000;122:794-7

International articles

2000;122:115-52, 272-310, 425-62, 579-616, 736-74, 794-933

Internship and residency

Virtual temporal bone: creation and application of a new computer-based teaching tool (Mason et al). 2000;122:168-73

Irrigation

Tympanostomy tubes and otic suspensions: Do they reach the middle ear space? (Hebert et al). 2000;122:330-3

Ischemia

Circulating neutrophil CD18 receptor expression and ischemic flap neutrophil infiltration in a guinea pig model (Dolan et al). 2000;122:374-7

J

Jugular vein

Jugular diverticulum: Clinical significance (El-Kashlan et al). 2000;122:575-6 (Case rep.)

K

Ki-67 antigen

Expression of Ki-67, tumor suppressor proteins, growth factor, and growth factor receptor in juvenile respiratory papillomatosis: Ki-67 and p53 as predictors of aggressive disease (Stern et al). 2000;122:378-86

Kidney failure, chronic

Ossification of eustachian tube cartilage and Ostmann's fatty tissue in chronic renal failure (Takasaki et al). 2000;122:567-71

Kidney neoplasms

Metastatic renal cell carcinoma to the nose (Cheng et al). 2000;122:464 (Clin. photo.)

L

Labyrinth diseases

Unusual and instructive case of immune-mediated inner ear disease associated with central nervous system vasculitis. (Ruckenstein et al).2000;122:109-11 (Case rep.)

Labyrinthine

Surgical treatment of labyrinthine fistula caused by cholesteatoma (Soda-Merhy and Betancourt-Suárez). 2000;122:739-42

Lactate dehydrogenase

Tumor grade, microvessel density, and activities of malate dehydrogenase, lactate dehydrogenase, and hexokinase in squamous cell carcinoma (Ross et al). 2000;122:195-200

Laryngeal neoplasms

Chondrosarcoma of the larynx (Friedlander and Lyons). 2000;122:617 (Clin. photo.)

Comparison of regional recurrence rates of radical and comprehensive neck dissection type 3 in NO laryngeal cancer (Yilmaz et al). 2000;122:736-8

Complications after total laryngectomy in nonradiated laryngeal and hypopharyngeal carcinomas (Herranz et al). 2000;122:892-8

Expression of matrix metalloproteinases and tissue inhibitor of metalloproteinases in laryngeal and pharyngeal squamous cell carcinoma: a quantitative analysis (Magary et al). 2000;122:712-6

Schwannoma of the larynx presenting with difficult swallowing (Cadoni et al). 2000;122:773-4 (Case rep.)

Therapeutic dilemmas in the management of thyroid cancer with laryngotracheal involvement (Kim et al). 2000;122:763-7

Laryngectomy

Acoustic analysis of the voice in phonatory fistuloplasty after total laryngectomy (Arias et al). 2000;122:743-7

Communication after laryngectomy: an assessment of quality of life (Carr et al). 2000;122:39-43

Complications after total laryngectomy in nonradiated laryngeal and hypopharyngeal carcinomas (Herranz et al). 2000;122:892-8

Complications of postoperative radiation therapy after partial laryngectomy in supraglottic cancer: a long-term evaluation (Laccourreye et al). 2000;122:752-7

Laryngostenosis

Changing trends in neonatal subglottic stenosis. (Choi and Zalzal). 2000;122:61-3

Improved canine model for laryngotracheal stenosis (Eliashar et al). 2000;122:84-90

Potential role of growth factors and extracellular matrix in wound healing after laryngotracheal reconstruction (Walner et al). 2000;122:363-6

Larynx

Powered surgical instruments for laryngeal surgery (Flint). 2000;122:263-6 (Drug/device)

Surgery on the larynx and pharynx in Byzantium (AD 324-1453): early scientific descriptions of these operations (Lascaratos and Assimakopoulos). 2000;122:579-83

Laser surgery

Comparison of postoperative pain between laser-assisted uvulopalatoplasty, uvulopalatopharyngoplasty, and radiofrequency volumetric tissue reduction of the palate (Troell et al). 2000;122:402-9

Laser-assisted outpatient septoplasty: results in 703 patients (Kamami et al). 2000;122:445-9

Preapplication of mitomycin C for enhanced patency of myringotomy (Estrem and Baker) 2000;122:346-8

Lasers

Laser soldering and welding for ossicular reconstruction: an in vitro test (Park and Min). 2000;122:803-7

Laterality

Explaining the Weber test (Sichel et al) (Letter); (Blakley and Siddique) (Reply). 2000;122:465

Letters to the editor
2000;122:156, 465-8, 619, 779-80
Lip neoplasms
Tumor thickness as a predictor of cervical lymph node metastasis in squamous cell carcinoma of the lower lip (Önerci et al). 2000;122:139-42
Lipoma
Lipoma of the tongue (Akyol et al). 2000;122:461-3 (Case rep.)
Tonsillar lipoma (Dev et al). 2000;122:941 (Clin. photo.)
Liver neoplasms
Hepatocarcinoma: metastasis to the nose and paranasal sinuses (Izquierdo et al). 2000;122:932-3 (Case rep.)
Lyme disease
Bilateral sensorineural hearing loss and spastic paraparesis in Lyme disease (Bertholon et al). 2000;122:458-9 (Case rep.)
Lymph nodes
Pleomorphic adenoma of the parotid gland metastasizing to the cervical lymph node (Chen and Tu). 2000;122:455-7 (Case rep.)

M

Magnetic resonance imaging
Assessment of auditory cortex activation with functional magnetic resonance imaging (Ulualp et al). 2000;122:241-5
Magnetic resonance imaging of the facial nerve in children with idiopathic facial paralysis (Burgio et al). 2000;122:556-9
Prevalence of unsuspected acoustic neuroma found by magnetic resonance imaging (Anderson et al). 2000;122:643-6
Malate dehydrogenase
Tumor grade, microvessel density, and activities of malate dehydrogenase, lactate dehydrogenase, and hexokinase in squamous cell carcinoma (Ross et al). 2000;122:195-200
Malaysia
Skin prick test reactivity to foods in adult Malaysians with rhinitis (Gendeh et al). 2000;122:758-62
Malingering
Posturographic performance in patients with the potential for secondary gain (Gianoli et al). 2000;122:11-8
Managed care programs
Cost-effective management of benign positional vertigo using canalith repositioning (Li et al). 2000;122:334-9
Mandibular neoplasms
Use of computed tomography in the assessment of mandibular invasion in carcinoma of the retromolar trigone (Lane et al). 2000;122:673-7
Use of (18F)-fluorodeoxyglucose positron emission tomography in monitoring response of recurrent neurotropic desmoplastic melanoma to radiotherapy (Hannah et al). 2000;122:304-6 (Case rep.)
Mastoid
Evaluation of implant losses and skin reactions around extraoral bone-anchored implants: a 0- to 8-year follow-up (Reyes et al). 2000;122:272-6
Postoperative cholesterol cyst of the mastoid (Bizakis et al). 2000;122:312 (Clin. photo.)
Mastoidectomy
Hearing results in the second stage of open mastoidectomy: a comparison of the different techniques (Cristóbal et al). 2000;122:748-51
Maxillary sinus
Maxillary sinus mass: the case for the unerupted third molar (Pressman and Allen). 2000;122:776 (Clin. photo.)
Xenon-enhanced computed tomography quantifies normal maxillary sinus ventilation (Leopold et al). 2000;122:422-4
Maxillary sinusitis
Endoscopically guided sinonasal cultures: a directed comparison with maxillary sinus aspirate cultures (Vogan et al). 2000;122:370-3
Melanoma
Use of (18F)-fluorodeoxyglucose positron emission tomography in monitoring response of recurrent neurotropic desmoplastic melanoma to radiotherapy (Hannah et al). 2000;122:304-6 (Case rep.)
Meniere's disease
Allergic management of Meniere's disease: an outcome study (Derebery). 2000;122:174-82
Cost-effective management of benign positional vertigo using canalith repositioning (Li et al). 2000;122:334-9
Endolymphatic mastoid shunt: a reevaluation of efficacy (Welling and Nagaraja). 2000;122:340-5
Treatment of benign paroxysmal positional vertigo: no need for postmaneuver restrictions (Nuti et al). 2000;122:440-4
Meningeal neoplasms
Intracanalicular meningiomas (Caylan et al). 2000;122:147-50 (Case rep.)
Meningioma
Approaches to the sellar and parasellar region: a retrospective comparison of the endonasal-transsphenoidal and sublabial-transsphenoidal approaches (Spencer et al). 2000;122:367-9
Intracanalicular meningiomas (Caylan et al). 2000;122:147-50 (Case rep.)
Meningitis, bacterial
Postmeningitic ossification in pediatric cochlear implantation (Young et al). 2000;122:183-8
Metalloproteinase
Expression of matrix metalloproteinases and tissue inhibitor of metalloproteinases in laryngeal and pharyngeal squamous cell carcinoma: a quantitative analysis (Magary et al). 2000;122:712-6
Microsurgery
Powered surgical instruments for laryngeal surgery (Flint). 2000;122:263-6 (Drug/device)
Middle ear ventilation
Conductive hearing loss associated with pressure equalization tubes (Estrem and Batra). 2000;122:349-51
Preapplication of mitomycin C for enhanced patency of myringotomy (Estrem and Baker) 2000;122:346-8
Tympanostomy tubes and otic suspensions: Do they reach the middle ear space? (Hebert et al). 2000;122:330-3
Mitomycin
Use of mitomycin C for maintaining myringotomy patency (Estrem et al). 2000;122:8-10
Monomeric GTP-binding proteins
Expression on nm23 antimetastatic gene product in head and neck squamous cell carcinoma (Song et al). 2000;122:96-9
Mouth
Sensory recovery in melolabial flaps used for oral cavity reconstruction (Civantos et al). 2000;122:509-13
Mouth mucosa
Reconstruction of oral defects with pedicled buccal fat pad flap (Hao). 2000;122:863-7
Mouth neoplasms
Factors affecting survival for floor-of-mouth carcinoma (Klotch et al). 2000;122:495-8
Mucormycosis
Possible role of anticoagulation in the treatment of rhinocerebral mucormycosis (Hong and Koch). 2000;122:577-8 (Case rep.)

Myiasis
Human aural myiasis (Magliulo et al). 2000;122:777 (Clin. photo.)

N

Nasal bone
Congenital nasal pyriform aperture stenosis: clinical review (Fornelli and Ramadan). 2000;122:113-4 (Case rep.)

Nasal obstruction
Congenital nasal pyriform aperture stenosis: clinical review (Fornelli and Ramadan). 2000;122:113-4 (Case rep.)
Effect of improved nasal breathing on obstructive sleep apnea (Friedman et al). 2000;122:71-4
Evaluation of a new procedure for nasal alar rim and valve collapse: nasal alar rim reconstruction (Troell et al). 2000;122:204-11
Laser-assisted outpatient septoplasty: results in 703 patients (Kamami et al). 2000;122:445-9
Outcomes of septoplasty (Siegel et al). 2000;122:228-32

Nasal polyps
Nasal polyposis: role of subclinical delayed food hypersensitivity (Pang et al). 2000;122:298-301

Nasal septum
Laser-assisted outpatient septoplasty: results in 703 patients (Kamami et al). 2000;122:445-9
Outcomes of septoplasty (Siegel et al). 2000;122:228-32

Nasopharyngeal diseases
Localized amyloid tumor of the nasopharynx (Pitäranta and Malmberg). 2000;122:309-10 (Case rep.)

Nasopharyngeal neoplasms
Anterior approaches in juvenile nasopharyngeal angiofibromas with intracranial extension (Danesi et al). 2000;122:277-83
Malignant neoplasms of the nasal cavity and paranasal sinuses: Is air pollution the missing link? (Calderón-Garcidueñas et al). 2000;122:499-508
Prognostic value of p53, proliferating cell nuclear antigen, and Ki-67 expression in undifferentiated nasopharyngeal carcinomas (Genç et al). 2000;122:868-73

Nasopharyngitis
Dynamics of nasopharyngitis in children (Brook and Gober). 2000;122:696-700

Neck
Advances in Otolaryngology-Head and Neck Surgery, Volume 12 (Lowry). 2000;122:623 (Book rev.)
Differential Diagnosis in Head and Neck Imaging (Sandlin). 2000;122:622 (Book rev.)
Disseminated blastomycosis presenting as a neck mass (Bergman et al). 2000;122:270-1 (Case rep.)
Head and Neck Surgery-Otolaryngology, 2nd edition (Gates). 2000;122:622 (Book rev.)
Systemic management of chyle fistula: the Southwestern experience and review of the literature 2000;122:31-8
Usefulness of the C1 transverse process as a reference guide in the dissection of the upper lateral neck (Sheen et al). 2000;122:284-9

Neoplasm recurrence, local
Comparison of regional recurrence rates of radical and comprehensive neck dissection type 3 in NO laryngeal cancer (Yilmaz et al). 2000;122:736-8

Neoplasms, multiple primary
Octreotide scintigraphy for the detection of paragangliomas (Telischi et al). 2000;122:358-62

Neoplasms, unknown primary
Tonsillectomy in diagnosis of the unknown primary tumor of the head and neck (Randall et al). 2000;122:52-5

Nerve sheath tumors
Malignant peripheral nerve sheath tumors of the head and neck: analysis of prognostic factors (Loree et al). 2000;122:667-72

Neurilemmoma
Malignant schwannoma of the thyroid gland (see Al-Ghambi et al). 2000;122:143 (Case rep.)
Schwannoma of the greater superficial petrosal nerve. (Michel et al). 2000;122:302-3 (Case rep.)

Neuroendocrine tumors
Small cell neuroendocrine carcinoma of the parotid gland (Vural et al). 2000;122:151-2 (Case rep.)

Neurofibroma
Plexiform neurofibroma of the sublingual gland (Kahwaji et al). 2000;122:927 (Case rep.)

Neuroma, acoustic
Diagnosis and documentation of central nervous system dysfunctions with craniocorpography after surgical removal of acoustic neurinomas (Gomez-Angel et al). 2000;122:592-5
Normal audiologic presentations in patients with acoustic neuroma: an evaluation using strict audiologic parameters (Magdziarz et al). 2000;122:157-62
Prevalence of unsuspected acoustic neuroma found by magnetic resonance imaging (Anderson et al). 2000;122:643-6

Neutrophils
Circulating neutrophil CD18 receptor expression and ischemic flap neutrophil infiltration in a guinea pig model (Dolan et al). 2000;122:374-7

Nitric oxide
Nitric oxide is a mediator of the late-phase response in an animal model of nasal allergy (Durland et al). 2000;122:706-11

Nose
Auricular composite grafting to repair nasal vestibular stenosis (Karen et al). 2000;122:529-32
Evaluation of time of nasal packing after nasal surgery: a randomized trial (Lubianca-Neto et al). 2000;122:899-901
Hepatocarcinoma: metastasis to the nose and paranasal sinuses (Izquierdo et al). 2000;122:932-3 (Case rep.)
Nitric oxide is a mediator of the late-phase response in an animal model of nasal allergy (Durland et al). 2000;122:706-11

Nose neoplasms
Metastatic renal cell carcinoma to the nose (Cheng et al). 2000;122:464 (Clin. photo.)

Nucleic acid synthesis inhibitors
Use of mitomycin C for maintaining myringotomy patency (Estrem et al). 2000;122:8-10

Nystagmus
Evaluation of the caloric test by combining 3 response parameters (Maire et al). 2000;122:814-20

O

Olfactory pathways
Structure of the principal olfactory tract (Gil-Carcedo et al). 2000;122:129-38

Orbit
Bilateral simultaneous orbital decompression for Graves' orbitopathy with a combined endoscopic and Caldwell-Luc approach (Rizk et al). 2000;122:216-21

Original articles
2000;122:8-99, 157-252, 313-414, 469-559, 625-727

Oropharyngeal neoplasms
Deterioration of intraoral recognition of shapes after treatment of oral and pharyngeal cancer (Bodin et al). 2000;122:584-9
Tumor size and pretreatment speech and swallowing in patients with resectable tumors (Colangelo et al). 2000;122:653-61

Orthodontic appliances, removable
Oral appliances for the treatment of snoring and obstructive sleep apnea (Schoem). 2000;122:259-62
Ossicular replacement prosthesis
Laser soldering and welding for ossicular reconstruction: an in vitro test (Park and Min). 2000;122:803-7
Long-term results with hydroxylapatite middle ear implants (Goldenberg and Driver). 2000;122:635-42
Ossification
Ossification of eustachian tube cartilage and Ostmann's fatty tissue in chronic renal failure (Takasaki et al). 2000;122:567-71
Ossification, heterotopic
Postmeningitic ossification in pediatric cochlear implantation (Young et al). 2000;122:183-8
Osteogenesis
Sternal ossification masquerading as foreign bodies in the infant (Syms et al). 2000;122:107-8 (Case rep.)
Osteoma
Maxillary sinus mass: the case for the unerupted third molar (Pressman and Allen). 2000;122:776 (Clin. photo.)
Otitis media
Bacteria-mucin interaction in the upper aerodigestive tract shows striking heterogeneity: implications in otitis media, rhinosinusitis, and pneumonia (Bernstein and Reddy). 2000;122:514-20
Include population statistics with study demographics (Surow) (Letter); (Goldstein) (Reply). 2000;122:156
Otitis media, suppurative
Tympanostomy tubes and otic suspensions: Do they reach the middle ear space? (Hebert et al). 2000;122:330-3
Otitis media with effusion
Conductive hearing loss associated with pressure equalization tubes (Estrem and Batra). 2000;122:349-51
Otolithic membrane
Cost-effective management of benign positional vertigo using canalith repositioning (Li et al). 2000;122:334-9
Treatment of benign paroxysmal positional vertigo: no need for postmaneuver restrictions (Nuti et al). 2000;122:440-4
Otorhinolaryngologic neoplasms
Management of chyle fistulization in association with neck dissection (Gregor). 2000;122:434-9
Tumor grade, microvessel density, and activities of malate dehydrogenase, lactate dehydrogenase, and hexokinase in squamous cell carcinoma (Ross et al). 2000;122:195-200
Ototoxicity
Experimental topical ototoxicity investigations: can we underestimate unilateral ototoxicity because of cross-hearing? (Ömer) (Letter); (Whitworth and Rybak) (Reply). 2000;122:779
Extended high-frequency ototoxicity induced by the first administration of the cisplatin (Sakamoto et al). 2000;122:828-33
Outcomes research
2000;122:253-8, 415-21, 560-6
Oxygenation
Oxygenation of advanced head and neck cancer: prognostic marker for the response to primary radiochemotherapy (Vanselow et al). 2000;122:856-62

P

Pain, postoperative
Comparison of postoperative pain between laser-assisted uvulopalatoplasty, uvulopalatopharyngoplasty, and radiofrequency volumetric tissue reduction of the palate (Troell et al). 2000;122:402-9
Palate
Cautery-assisted palatal stiffening operation (Mair and Day). 2000;122:547-55
Palate, soft
Midline radiofrequency tissue reduction of the palate for bothersome snoring and sleep-disordered breathing: a clinical trial (Coleman and Smith). 2000;122:387-94
Radiofrequency volumetric reduction of the palate: an extended follow-up study (Li et al). 2000;122:410-4
Pancreatic neoplasms
Facial paralysis: an unusual presentation of congenital cholesteatoma (Melero et al). 2000;122:615-6 (Case rep.)
Histopathology of multiple temporal bone metastasis from pancreatic adenocarcinoma: a case showing bilateral hearing loss and Bechterew's (Wu et al). 2000;122:613-4 (Case rep.)
Paraganglioma
Octreotide scintigraphy for the detection of paragangliomas (Telischi et al). 2000;122:358-62
Vagal paraganglioma: the Jefferson experience (Miller et al). 2000;122:482-7
Paralysis
Unilateral true vocal fold paralysis: cause of right-sided lesions (Hughes et al). 2000;122:678-80
Paranasal sinus diseases
Isolated frontal sinus aspergillosis (Chen and Chen). 2000;122:460 (Case rep.)
Paranasal sinus neoplasms
Malignant neoplasms of the nasal cavity and paranasal sinuses: Is air pollution the missing link? (Calderón-Garcidueñas et al). 2000;122:499-508
Paranasal sinuses
Hepatocarcinoma: metastasis to the nose and paranasal sinuses (Izquierdo et al). 2000;122:932-3 (Case rep.)
Operative times, postanesthesia recovery times, and complications during sinonasal surgery using general anesthesia and local anesthesia with sedation (Fedok et al). 2000;122:560-6
Paraparesis, spastic
Bilateral sensorineural hearing loss and spastic paraparesis in Lyme disease (Bertholon et al). 2000;122:458-9 (Case rep.)
Paresis
Vocal fold paresis (Koufman et al). 2000;122:537-41
Parotid diseases
Giant external carotid artery pseudoaneurysm presenting as a parotid mass (Uğuz et al). 2000;122:307-8 (Case rep.)
Parotid gland
Frey's syndrome and parotidectomy flaps: a retrospective cohort study (Taylor et al). 2000;122:201-3
Parotid neoplasms
Pleomorphic adenoma of the parotid gland metastasizing to the cervical lymph node (Chen and Tu). 2000;122:455-7 (Case rep.)
Small cell neuroendocrine carcinoma of the parotid gland (Vural et al). 2000;122:151-2 (Case rep.)
Pectoralis muscles
Chest wall mass after pectoralis major myocutaneous flap reconstruction (Kandula et al). 2000;122:267-8 (Case rep.)
Persian Gulf syndrome
Vestibular dysfunction in Gulf War syndrome (Roland et al). 2000;122:319-29
Pesticide residues
Food pollution (Wallace and Suchard) (Letter); (Trevino) (Reply). 2000;122:467
Pharyngeal neoplasms
Complications after total laryngectomy in nonradiated laryngeal

and hypopharyngeal carcinomas (Herranz et al). 2000;122:892-8
Deterioration of intraoral recognition of shapes after treatment of oral and pharyngeal cancer (Bodin et al). 2000;122:584-9
Expression of matrix metalloproteinases and tissue inhibitor of metalloproteinases in laryngeal and pharyngeal squamous cell carcinoma: a quantitative analysis (Magary et al). 2000;122:712-6

Pharynx
Comparison of postoperative pain between laser-assisted uvulopalatoplasty, uvulopalatopharyngoplasty, and radiofrequency volumetric tissue reduction of the palate (Troell et al). 2000;122:402-9
Pharyngeal suspension suture with Repose bone screw for obstructive sleep apnea (Woodson et al). 2000;122:395-401
Surgery on the larynx and pharynx in Byzantium (AD 324-1453): early scientific descriptions of these operations (Lascaratos and Assimakopoulos). 2000;122:579-83
Use of the Endostitch device for closure of pharyngeal traumatic lacerations (Hardeman et al). 2000;122:942 (Clin. photo.)

Phonosurgery
Mechanical and dynamic aspects of voice production as related to voice therapy and phonosurgery (Isshiki) 2000;122:782-93

Phosphoprotein phosphatase
Interrelationship between protein phosphatase-2A and cytoskeletal architecture during the endothelial cell response to soluble products produced by human head and neck cancer (Witt et al). 2000;122:721-7

Piperidines
Remifentanil-based anesthesia versus a propofol technique for otologic surgical procedures (Jellish et al). 2000;122:222-7

Pneumomediastinum
Rhinolalia as a symptom of pneumomediastinum after radical neck dissection (Braverman et al). 2000;122:925-6 (Case rep.)

Pneumonia
Bacteria-mucin interaction in the upper aerodigestive tract shows striking heterogeneity: implications in otitis media, rhinosinusitis, and pneumonia (Bernstein and Reddy). 2000;122:514-20

Population studies
Include population statistics with study demographics (Surow) (Letter); (Goldstein) (Reply). 2000;122:156

Postoperative care
Postoperative management of pediatric tracheostomy: results of a nationwide survey (Gluth et al). 2000;122:701-5
Postoperative treatment of the patient with obstructive sleep apnea (Ulnick and Debo). 2000;122:233-6

Postoperative complications
Chest wall mass after pectoralis major myocutaneous flap reconstruction (Kandula et al). 2000;122:267-8 (Case rep.)
Effects of intracochlear factors on spiral ganglion cells and auditory brain stem response after long-term electrical stimulation in deafened kittens (Araki et al). 2000;122:425-33
Laser-assisted outpatient septoplasty: results in 703 patients (Kamami et al). 2000;122:445-9
Management of chyle fistulization in association with neck dissection (Gregor). 2000;122:434-9
Pharyngeal suspension suture with Repose bone screw for obstructive sleep apnea (Woodson et al). 2000;122:395-401
Surgery and obstructive sleep apnea: long-term clinical outcomes (Riley et al). 2000;122:415-21

Posture
Posturographic performance in patients with the potential for secondary gain (Gianoli et al). 2000;122:11-8

Premedication
Preapplication of mitomycin C for enhanced patency of myringotomy (Estrem and Baker) 2000;122:346-8

Prognosis
Malignant peripheral nerve sheath tumors of the head and neck: analysis of prognostic factors (Loree et al). 2000;122:667-72
Oxygenation of advanced head and neck cancer: prognostic marker for the response to primary radiochemotherapy (Vanselow et al). 2000;122:856-62
Prognostic assessment of sonography and tumor volumetry in advanced cancer of the head and neck by use of Doppler ultrasonography (Dietz et al). 2000;122:596-601
Prognostic value of p53, proliferating cell nuclear antigen, and Ki-67 expression in undifferentiated nasopharyngeal carcinomas (Genç et al). 2000;122:868-73

Propofol
Remifentanil-based anesthesia versus a propofol technique for otologic surgical procedures (Jellish et al). 2000;122:222-7

Prostheses and implants
Evaluation of implant losses and skin reactions around extraoral bone-anchored implants: a 0- to 8-year follow-up (Reyes et al). 2000;122:272-6

Protein p53
Expression of Ki-67, tumor suppressor proteins, growth factor, and growth factor receptor in juvenile respiratory papillomatosis: Ki-67 and p53 as predictors of aggressive disease (Stern et al). 2000;122:378-86

Pterygopalatine fossa
Extensive salivary gland choristoma of the pterygopalatine fossa (Harar et al). 2000;122:611-2 (Case rep.)

Pulmonary ventilation
Xenon-enhanced computed tomography quantifies normal maxillary sinus ventilation (Leopold et al). 2000;122:422-4

Q

Quality of life
Communication after laryngectomy: an assessment of quality of life (Carr et al). 2000;122:39-43

Questionnaires
Characteristics of sinus-related pain (Tarabichi). 2000;122:842-7

R

Radical neck dissection
Management of chyle fistulization in association with neck dissection (Gregor). 2000;122:434-9

Radiographic image enhancement
Xenon-enhanced computed tomography quantifies normal maxillary sinus ventilation (Leopold et al). 2000;122:422-4

Radionuclide imaging
Intraoperative radiolymphoscintigraphy for detection of occult nodal metastasis in patients with head and neck squamous cell carcinoma (Zitsch et al). 2000;122:662-6

Radiopharmaceuticals
Use of (18F)-fluorodeoxyglucose positron emission tomography in monitoring response of recurrent neurotropic desmoplastic melanoma to radiotherapy (Hannah et al). 2000;122:304-6 (Case rep.)

Radiotherapy
Complications of postoperative radiation therapy after partial laryngectomy in supraglottic cancer: a long-term evaluation (Laccourreye et al). 2000;122:752-7
Oxygenation of advanced head and neck cancer: prognostic marker for the response to primary radiochemotherapy (Vanselow et al). 2000;122:856-62

Receptor, epidermal growth factor
Antiepidermal growth factor receptor antibodies augment cytotoxicity of chemotherapeutic agents on squamous cell carcinoma cell lines (Brown et al). 2000;122:75-83
Referral and consultation
Postsurgical follow-up of children with tympanostomy tubes: results of the American Academy of Otolaryngology-Head and Neck Surgery Pediatric Otolaryngology Committee National Survey (Derkay et al). 2000;122:313-8
Reflex, vesbibulo-ocular
Interlaboratory variability of rotational chair test results II: analysis of simulated data (Furman et al). 2000;122:23-30
Respiration
Effect of improved nasal breathing on obstructive sleep apnea (Friedman et al). 2000;122:71-4
Respiratory tract neoplasms
Expression of Ki-67, tumor suppressor proteins, growth factor, and growth factor receptor in juvenile respiratory papillomatosis: Ki-67 and p53 as predictors of aggressive disease (Stern et al). 2000;122:378-86
Review article
2000;122:259-62
Rhinitis
Diagnosis and treatment of uncomplicated acute bacterial rhinosinusitis: summary of the Agency on Health Care Policy and Research evidence-based report (Benninger et al). 2000;122:1-7
Skin prick test reactivity to foods in adult Malaysians with rhinitis (Gendeh et al). 2000;122:758-62
Rhinitis, allergic
Health status in allergic rhinitis (Corey et al). 2000;122:681-5
Rhinitis, atrophic
Plastipore implants in the surgical treatment of atrophic rhinitis: technique and results (Goldenberg et al). 2000;122:794-7
Rhinolalia
Rhinolalia as a symptom of pneumomediastinum after radical neck dissection (Braverman et al). 2000;122:925-6 (Case rep.)
Rhinoplasty
Evaluation of a new procedure for nasal alar rim and valve collapse: nasal alar rim reconstruction (Troell et al). 2000;122:204-11
False aneurysm after rhinoplasty: an unusual complication (Hamdan et al). 2000;122:923-4 (Case rep.)
Laser-assisted outpatient septoplasty: results in 703 patients (Kamami et al). 2000;122:445-9
Rhinosinusitis
Bacteria-mucin interaction in the upper aerodigestive tract shows striking heterogeneity: implications in otitis media, rhinosinusitis, and pneumonia (Bernstein and Reddy). 2000;122:514-20

S

Salivary gland neoplasms
Extensive salivary gland choristoma of the pterygopalatine fossa (Harar et al). 2000;122:611-2 (Case rep.)
Scala tympani
Effects of endolymphatic-perilymphatic fistula on endolymphatic hydrops in guinea pig (Yazawa et al). 2000;122:119-23
Schwannoma
Schwannoma of the larynx presenting with difficult swallowing (Cadoni et al). 2000;122:773-4 (Case rep.)
Semicircular canals
Treatment of benign paroxysmal positional vertigo: no need for postmaneuver restrictions (Nuti et al). 2000;122:440-4
Serology
Efficacy of serologic testing in a asymmetric sensorineural hearing loss (Sabini and Sclafani). 2000;122:469-76
Short scientific communications
100-6, 422-4
Sinuses
Frameless computer-aided surgery system for revision endoscopic sinus surgery (Caversaccio et al). 2000;122:808-13
Sinusitis
Characteristics of sinus-related pain (Tarabichi). 2000;122:842-7
Diagnosis and treatment of uncomplicated acute bacterial rhinosinusitis: summary of the Agency on Health Care Policy and Research evidence-based report (Benninger et al). 2000;122:1-7
Outcomes after discontinuing immunotherapy for allergic fungal sinusitis (Mabry et al). 2000;122:104-6
Skin
Evaluation of implant losses and skin reactions around extraoral bone-anchored implants: a 0- to 8-year follow-up (Reyes et al). 2000;122:272-6
Skin test end-point titration
ImmunoCAP and HY·TEC enzyme immunoassays in the detection of allergen-specfic IgE compared with serial skin end-point titration by receiver operating characteristic analysis (Corey et al). 2000;122:64-70
Skin transplantation
Effects of external beam radiation on the allograft dermal implant (Ibrahim et al). 2000;122:189-94
Skull base neoplasms
Subcranial approach to tumors of the anterior cranial base (Darrouzet) (Letter); (Moore and Marentette) (Reply). 2000;122:466
Sleep apnea, obstructive
Comparison of postoperative pain between laser-assisted uvulopalatoplasty, uvulopalatopharyngoplasty, and radiofrequency volumetric tissue reduction of the palate (Troell et al). 2000;122:402-9
Effect of improved nasal breathing on obstructive sleep apnea (Friedman et al). 2000;122:71-4
Health status in patients with disturbed sleep and obstructive sleep apnea (Gliklich et al). 2000;122: 542-6
Midline radiofrequency tissue reduction of the palate for bothersome snoring and sleep-disordered breathing: a clinical trial (Coleman and Smith). 2000;122:387-94
Oral appliances for the treatment of snoring and obstructive sleep apnea (Schoem). 2000;122:259-62
Pharyngeal suspension suture with Repose bone screw for obstructive sleep apnea (Woodson et al). 2000;122:395-401
Postoperative treatment of the patient with obstructive sleep apnea (Ulnick and Debo). 2000;122:233-6
Radiofrequency volumetric reduction of the palate: an extended follow-up study (Li et al). 2000;122:410-4
Surgery and obstructive sleep apnea: long-term clinical outcomes (Riley et al). 2000;122:415-21
Tongue-based suspension with a soft tissue-to-bone anchor for obstructive sleep apnea: preliminary clinical results of a new minimally invasive technique (DeRowe et al). 2000;122:100-3
Snoring
Midline radiofrequency tissue reduction of the palate for bothersome snoring and sleep-disordered breathing: a clinical trial (Coleman and Smith). 2000;122:387-94

Oral appliances for the treatment of snoring and obstructive sleep apnea (Schoem). 2000;122:259-62

Speech

Tumor size and pretreatment speech and swallowing in patients with resectable tumors (Colangelo et al). 2000;122:653-61

Spiral ganglion

Effects of intracochlear factors on spiral ganglion cells and auditory brain stem response after long-term electrical stimulation in deafened kittens (Araki et al). 2000;122:425-33

Stents

Effect of stenting after laryngotracheal reconstruction in a subglottic stenosis model (Jewett et al). 2000;122:488-94

Sternum

Sternal ossification masquerading as foreign bodies in the infant (Syms et al). 2000;122:107-8 (Case rep.)

Sublingual gland

Plexiform neurofibroma of the sublingual gland (Kahwaji et al). 2000;122:927 (Case rep.)

Submandibular gland

Intraoral removal of the submandibular gland: a new surgical approach (Hong and Kim). 2000;122:798-802

Surgery

Advances in Otolaryngology-Head and Neck Surgery, Volume 12 (Lowry). 2000;122:623 (Book rev.)

Head and Neck Surgery-Otolaryngology, 2nd edition (Gates). 2000;122:622 (Book rev.)

Surgical Approaches in Otolaryngology (Gluckman). 2000;122:623 (Book rev.)

Surgical flaps

Chest wall mass after pectoralis major myocutaneous flap reconstruction (Kandula et al). 2000;122:267-8 (Case rep.)

Circulating neutrophil CD18 receptor expression and ischemic flap neutrophil infiltration in a guinea pig model (Dolan et al). 2000;122:374-7

Reconstruction of oral defects with pedicled buccal fat pad flap (Hao). 2000;122:863-7

Sensory recovery in melolabial flaps used for oral cavity reconstruction (Civantos et al). 2000;122:509-13

Surgical instruments

Powered surgical instruments for laryngeal surgery (Flint). 2000;122:263-6 (Drug/device)

Suture techniques

Pharyngeal suspension suture with Repose bone screw for obstructive sleep apnea (Woodson et al). 2000;122:395-401

Swallowing

Schwannoma of the larynx presenting with difficult swallowing (Cadoni et al). 2000;122:773-4 (Case rep.)

Tumor size and pretreatment speech and swallowing in patients with resectable tumors (Colangelo et al). 2000;122:653-61

Sweating, gustatory

Botulinum toxin treatment for symptomatic Frey's syndrome (Arad-Cohen and Blitzer). 2000;122:237-40

Frey's syndrome and parotidectomy flaps: a retrospective cohort study (Taylor et al). 2000;122:201-3

Syphilis serodiagnosis

Unreliability of syphilis screening tests (Reeves). 2000;122:156 (Letter)

T

Technetium Tc 99m sestamibi

Relation of biochemical, cytologic, and morphologic parameters to the result of gammagraphy with technetium 99m sestamibi in primary hyperparathyroidism (Piñero et al). 2000;122:851-5

Temporal bone

Malignancy of the temporal bone and external auditory canal (Lim et al). 2000;122:882-6

Virtual temporal bone: creation and application of a new computer-based teaching tool (Mason et al). 2000;122:168-73

Thoracic duct

Systemic management of chyle fistula: the Southwestern experience and review of the literature 2000;122:31-8

Thrombophlebitis

Facial vein thrombophlebitis: a rare but potentially lethal entity (Goldenberg et al). 2000;122:769-70 (Case rep.)

Thyroid

Accuracy of fine-needle aspiration biopsy of the thyroid combined with an evaluation of clinical and radiologic factors (Carrillo et al). 2000;122:917-21

Thyroid neoplasms

Carcinoma of the Thyroid (Eisele) 2000;122:623 (Book rev.)

Tall cell variant: an aggressive form of papillary thyroid carcinoma (Prendiville et al). 2000;122:352-7

Therapeutic dilemmas in the management of thyroid cancer with laryngotracheal involvement (Kim et al). 2000;122:763-7

Thyroplasty

Thyroplasty type I: short-versus long-term results (Lundy et al). 2000;122:533-6

Time factors

Operative times, postanesthesia recovery times, and complications during sinonasal surgery using general anesthesia and local anesthesia with sedation (Fedok et al). 2000;122:560-6

Tomography, emission-computed

Use of (18F)-fluorodeoxyglucose positron emission tomography in monitoring response of recurrent neurotropic desmoplastic melanoma to radiotherapy (Hannah et al). 2000;122:304-6 (Case rep.)

Tomography, emission-computed, single-photon

Octreotide scintigraphy for the detection of paragangliomas (Telischi et al). 2000;122:358-62

Tomography, x-ray computed

Isolated frontal sinus aspergillosis (Chen and Chen). 2000;122:460 (Case rep.)

Use of computed tomography in the assessment of mandibular invasion in carcinoma of the retromolar trigone (Lane et al). 2000;122:673-7

Xenon-enhanced computed tomography quantifies normal maxillary sinus ventilation (Leopold et al). 2000;122:422-4

Tongue

Effects of gastroesophageal reflux on hypertrophy of the base of the tongue (Mamede et al). 2000;122:607-10

Pharyngeal suspension suture with Repose bone screw for obstructive sleep apnea (Woodson et al). 2000;122:395-401

Tongue-based suspension with a soft tissue-to-bone anchor for obstructive sleep apnea: preliminary clinical results of a new minimally invasive technique (DeRowe et al). 2000;122:100-3

Tongue neoplasms

Lipoma of the tongue (Akyol et al). 2000;122:461-3 (Case rep.)

Squamous cell carcinoma of the tongue in young adults: increasing incidence and factors that predict treatment outcomes (Myers et al). 2000;122:44-51

Tonsillectomy

Brain stem stroke associated with bupivacaine injection for adenotonsillectomy (Alsarraf and Sie). 2000;122:572 (Case rep.)

Hypernasality after tonsillectomy without adenoidectomy in an adult (Wachtel et al). 2000;122:112 (Case rep.)

Tonsillectomy in diagnosis of the unknown primary tumor of the head and neck (Randall et al). 2000;122:52-5

Tonsils
Tonsillar lipoma (Dev et al). 2000;122:941 (Clin. photo.)
Tracheal neoplasms
Therapeutic dilemmas in the management of thyroid cancer with laryngotracheal involvement (Kim et al). 2000;122:763-7
Tracheal stenosis
Cryopreserved, irradiated tracheal homograft transplantation for laryngotracheal reconstruction in human beings (Kunachak et al). 2000;122:911-6
Improved canine model for laryngotracheal stenosis (Eliashar et al). 2000;122:84-90
Tracheostomy
Comparison of open, percutaneous, and translaryngeal tracheostomies (MacCallum et al). 2000;122:686-90
Postoperative management of pediatric tracheostomy: results of a nationwide survey (Gluth et al). 2000;122:701-5
Tracheostomy tube obstruction caused by an overinflated cuff (Saini et al). 2000;122:768 (Case rep.)
Transcription factors
Expression on nm23 antimetastatic gene product in head and neck squamous cell carcinoma (Song et al). 2000;122:96-9
Transplantation, homologous
Cryopreserved, irradiated tracheal homograft transplantation for laryngotracheal reconstruction in human beings (Kunachak et al). 2000;122:911-6
Tretinoin
Chemoprevention of head and neck cancer (Armstrong and Meyskens). 2000;122:728-35
Tumor markers, biological
Patients with head and neck tumors excrete a chondroitin sulfate with a low degree of sulfation: a new tool for diagnosis and follow-up of cancer therapy (Martins et al). 2000;122:115-8
Tympanic membrane
Use of mitomycin C for maintaining myringotomy patency (Estrem et al). 2000;122:8-10
Thyroid neoplasms
Malignant schwannoma of the thyroid gland (see Al-Ghambi et al). 2000;122:143 (Case rep.)

U

Ultrasonography, Doppler
Prognostic assessment of sonography and tumor volumetry in advanced cancer of the head and neck by use of Doppler ultrasonography (Dietz et al). 2000;122:596-601
Uvula
Comparison of postoperative pain between laser-assisted uvulopalatoplasty, uvulopalatopharyngoplasty, and radiofrequency volumetric tissue reduction of the palate (Troell et al). 2000;122:402-9

V

Vagus nerve
Vagal paraganglioma: the Jefferson experience (Miller et al). 2000;122:482-7
Vasculitis, central nervous system
Unusual and instructive case of immune-mediated inner ear disease associated with central nervous system vasculitis. (Ruckenstein et al). 2000;122:109-11 (Case rep.)
Verapamil
Effect of verapamil on cholesteatoma migration in vitro (Kountakis et al). 2000;122:91-5
Vertigo
Short- and long-term outcomes of canalith repositioning for benign paroxysmal positional vertigo (Nunez et al). 2000;122:647-52
Unrecognized benign paroxysmal positional vertigo in elderly patients (Oghalai et al). 2000;122:630-4
Vestibular autorotation testing in patients with benign paroxysmal positional vertigo (Belafsky et al). 2000;122:163-7
Vestibular diseases
Vestibular dysfunction in Gulf War syndrome (Roland et al). 2000;122:319-29
Vestibular function tests
Interlaboratory variability of rotational chair test results II: analysis of simulated data (Furman et al). 2000;122:23-30
Posturographic performance in patients with the potential for secondary gain (Gianoli et al). 2000;122:11-8
Vestibular autorotation testing in patients with benign paroxysmal positional vertigo (Belafsky et al). 2000;122:163-7
Vestibules
Auricular composite grafting to repair nasal vestibular stenosis (Karen et al). 2000;122:529-32
Vocal cord paralysis
Guillain-Barré syndrome presenting as a neck mass (Yoskovitch et al). 2000;122:269 (Case rep.)
Vocal cords
Unilateral true vocal fold paralysis: cause of right-sided lesions (Hughes et al). 2000;122:678-80
Vocal fold paresis (Koufman et al). 2000;122:537-41
Voice
Acoustic analysis of the voice in phonatory fistuloplasty after total laryngectomy (Arias et al). 2000;122:743-7
Care of the Professional Voice: A management Guide for Singers, Actors and Professional Voice Users (Stasney). 2000;122:621 (Book rev.)
Voice disorders
Hypernasality after tonsillectomy without adenoidectomy in an adult (Wachtel et al). 2000;122:112 (Case rep.)
Mechanical and dynamic aspects of voice production as related to voice therapy and phonosurgery (Isshiki) 2000;122:782-93

W

Weber test
Explaining the Weber test (Sichel et al) (Letter); (Blakley and Siddique) (Reply). 2000;122:465
Wound healing
Preapplication of mitomycin C for enhanced patency of myringotomy (Estrem and Baker) 2000;122:346-8
Wounds and injuries
Use of the Endostitch device for closure of pharyngeal traumatic lacerations (Hardeman et al). 2000;122:942 (Clin. photo.)

X

Xenon
Xenon-enhanced computed tomography quantifies normal maxillary sinus ventilation (Leopold et al). 2000;122:422-4
